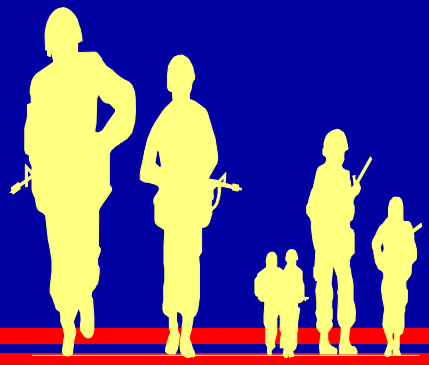
Range and Munitio Issues

Colonel Larry
Army Environmental Law Division



The Current Process

- Senior level DoD/EPA discussions
- Range Rule in advanced stages_
- Interagency process on the horizon
- Light at the end of the tunnel or a locomotive heading this way?

Litigation and Administrative Actions

- Fort Ord Toxics Project
- Monterey Bay Unified Air Pollution Control District
- MMR Admin. Order #3

Ongoing Actions

- **Range Inventory**
- **“Bang Box” studies**
- **Green(er) munitions**
- **Technology alternatives for disposal**
- DoD Dir. 4715.11 & 4715.12
- Other

The Future

- More questions
- Assertion of federal/state/local authorities
- Agency ability to respond
- Objective - Sustainable Range Management
- Readiness impacts?
- Costs?
